CONTACT

986 Fuller Ave, Saint Paul,
MN, 55104
t: (402) 364 3511 | e: hunter.dev.87@gmail.com | w: www.rhunter-dev.com

EXPERIENCE

January 2018 - Present

Self-Study

Self-directed study to achieve a high level of proficiency with modern Javascript, React, and Node. Completed multiple working full-stack applications, including a bespoke portfolio site (see above) and a social media application.

Motivate LLC

June 2018 - Present

System Rebalancer

I monitor the distribution of bikes in an urban bike sharing system and relocate assets to meet current or anticipated demand. Also responsible for light maintenance, electronic recordkeeping, and providing customer support to riders on the street.

FedEx Express

November 2011 - January 2018

Courier, Dangerous Goods Agent

Coordinated with management and other team members to adapt to rapidly changing circumstances and exceed efficiency targets. Inspected incoming shipments of hazardous materials for compliance with federal regulations and maintained relevant documentation.

EDUCATION

Udemy.com

JavaScript: Understanding the Weird Parts
The Advanced Web Developer Bootcamp
Modern React with Redux [2019 Update]

Northwestern College

2005-2009

B.A, History (Summa Cum Laude)
