EXPERIENCE

Web Development — *Self-Study*

JANUARY 2018 - PRESENT

Self-directed study to achieve a high level of proficiency with modern JavaScript, TypeScript, React, and Node. Completed multiple working full-stack applications, including a bespoke portfolio site (www.rhunter-dev.com).

Motivate LLC, Minneapolis MN — *Station Tech*

JUNE 2018 - PRESENT

I monitor the distribution of bikes in an urban bike sharing system and relocate assets to meet current or anticipated demand.

FedEx Express, Roseville MN — *Courier, Dangerous Goods Agent*

NOVEMBER 2011 - JANUARY 2018

Coordinated with management and other team members to adapt to fluid circumstances. Regularly exceeded efficiency targets by 3%–5%. Inspected incoming shipments of hazardous materials for compliance with federal regulations and maintained relevant documentation.

VanMaanen's RadioShack, Rock Valley IA — *Sales, Technical Support*

JULY 2009 - AUGUST 2011

Assisted customers with activating and managing cell service accounts. Responded to customer's technical support needs, troubleshooting issues with products and escalating as appropriate.

VOLUNTEERISM

MN350, Minneapolis MN — *Technical Volunteer*

MAY 2018 - PRESENT

Assisted with the preparation and launch of a new website for the local nonprofit MN350. Currently collaborating with a team of volunteers to improve site performance/SEO, and offer ongoing technical support.
